

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENTUCKY RURAL WATER)	
ASSOCIATION FOR APPROVAL OF)	CASE NO. 2015-00339
COMMISSIONER TRAINING AND CONTINUING)	
EDUCATION CREDIT)	

ORDER

Kentucky Rural Water Association ("KRWA") has applied for accreditation and approval of its training session entitled "Utility Law Seminar – 2015 Water Law Series" held on October 27, 2015, in Bowling Green, Kentucky. The meeting provided useful information to attendees to help them better perform their role as a utility professional and to enhance operations at their facilities.

This Commission is required to "encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner's understanding of his or her responsibilities and duties."¹ Having reviewed KRWA's application, the Commission finds that the presentations at the meeting enhance a water district commissioner's understanding of his or her responsibilities and duties and should be accredited for six hours of water district management training.

¹ KRS 74.020(7)(c).

IT IS THEREFORE ORDERED that:

1. The presentations at the training session held on October 27, 2015, in Bowling Green, Kentucky, are accredited and approved for a maximum of six credit hours of water district management training.

2. KRWA shall retain a record of all water district commissioners attending the accredited and approved presentations.

3. No later than 30 days after the entry of this Order, KRWA shall file with the Commission:

a. A sworn statement attesting that the accredited instruction was performed;

b. A description of any changes in the presenters or the curriculum that occurred after KRWA's application;

c. The name of each attending water district commissioner, his or her water district, and the number of hours that he or she attended;

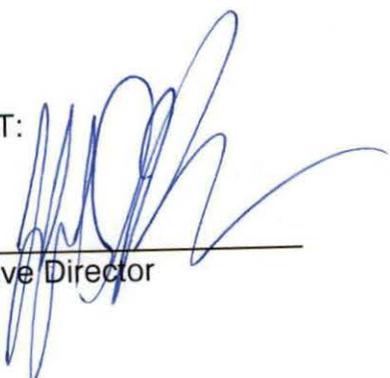

d. A copy of any written material given to water district commissioners attending the presentations; and

e. Documents indicating whether the Kentucky Board of Certification of Water Treatment and Distribution System Operators and the Kentucky Board of Certification of Wastewater System Operators approved the training for continuing education credit.
